

The Advance Projects
and Missionaries

DID YOU KNOW?

Give knowing that 100% of your gift will be used to help the program, ministry or missionary you designate. This is possible through The Advance network, an official program of The United Methodist Church for voluntary, designated, second-mile giving.

The Advance allows United Methodist annual conferences, districts, local churches and organizations, as well as individuals and families, to choose to support mission programs or mission personnel with their financial gifts.

Each Advance project has been vetted and approved by Global Ministries and Advance staff to ensure that projects are aligned with the goals of The United Methodist Church in the local area, help develop partnerships that are mutually advantageous, tell the story of projects and missionaries and report how giving is making an impact. The Advance projects and mission work are managed through the General Board of Global Ministries.
