Fund

# DID YOU KNOW?

The General Administration Fund finances the administrative function of the denomination's general activities. It provides for the expenses of the sessions of the General Conference and the Judicial Council; covers the administrative functions of the General Council on Finance and Administration; funds the operating costs for the General Commission on Archives and History; and pays for maintenance of historic shrines, landmarks and sites.

It funds the safeguarding of our denomination's legal interests and rights and the managing of The United Methodist Foundation. The General Administration Fund was established as part of the original financial plan of The Methodist Church at its unification in 1939. This fund is managed by General Council on Finance and Administration.
